The Magazine

OF THE NORTHAMPTONSHIRE
AND MILTON KEYNES D.A

[1]

ISSUE NO. 4

DECEMBER 1990-FEBRUARY 1991

This is the magazine of the Northamptonshire and Milton Keynes District Association of the Cyclists Touring Club. Britains National Cyclists Association, devoted to the encouragement of recreational cycling and the protection of cyclists interests. Founded in 1878, the CTC is the worlds oldest cycling club. Patron Her Majesty The Queen.

IMPORTANT. AS YOU WILL READ ELSEWHERE, THE A.G.M HAS DECIDED TO CHANGE THE NAME OF THE D.A. TO NORTHAMPTONSHIRE AND NORTH BUCKINGHAMSHIRE D.A. THIS HAS YET TO BE OFFICIALLY RATIFIED BY NATIONAL COUNCIL.

A motion had been proposed by Tom Chapman that the title of the D.A. be changed to that of Northamptonshire and North Buckinghamshire D.A. This title more accurately reflects the area that the D.A covers. This motion was passed without dissent, but will have to be ratified by C.T.C National Council. This is not

expected to present any problems as it does not actually involve a change of boundary.
